1st October 2024

River Stiffkey Project - Tuesday 8th October 2024

Dear Year 6 Parents and Carers,

Year 6 have been invited to take part in a conservation event organised by the Rivers Trust.

In the two hour morning session they will be:

- Constructing and interpreting food chains (identifying producers, predators and prey). Looking at insect life-cycles.
- Identifying how animals and plants are adapted to their environment.
- Reporting on findings from enquiries.
- Recognising that environments can change and that this can sometimes pose dangers to living things.
- Observing and comparing movement of animals

They will travel by mini bus and be back in time for a slightly later lunch. Please can they bring a packed lunch or order a school pack.

The children will need to wear tall wellies and waterproofs. Please can they bring their uniform in a bag to change into for the afternoon.

Please give permission for this trip on Scopay.

Thank you for your support

P Kossowicz
